ROCK STEW

I love stew. How about you?
How do you make it? What do you do?
Put a rock in the pot and stir it around
What do you got? (Clap, clap)
Rock stew

Put some carrots in the pot and stir it around
Stir it around, stir it around
Put some carrots in the pot and stir it around
What do you got? (Clap, clap)
Rock stew

POLLY WOLLY DOODLE DUM

Polly wolly doodle dum diddle dum day
Was a different kind of horse the others would say
He could talk, he could dance, he could jump in the hay
He’s Polly wolly doodle dum diddle dum day

Polly wolly doodle dum diddle dum day
Had the kind of name that was difficult to say
People would ask him, what did he say?
I’m Polly wolly doodle dum diddle dum day

Polly wolly doodle dum diddle dum day
Went to the market, what did he say?
I’d like a bag of apples and a bale of hay
I’m Polly wolly doodle dum diddle dum day

Polly wolly doodle dum diddle dum day
Loved to dance and play in the hay
When kids would come visit, he’d tap his feet to say
He’s Polly wolly doodle dum diddle dum day

WITH A FRIEND

With a friend you can play in the rain.

Make a mess and start again.

With a friend you can make extra muck. Yuck, yuck, yuck

Run & jump & skip & play. Together we can shout “Hooray!”

Makes your day so bright, things just turn out right

With a friend, with a friend, with a friend

With a friend we can sing a song. With a friend they can join along

With a friend singing is better. La, la-la-la, la

REPEAT PRE-CHORUS

With a friend like you, doesn’t matter what we do

Nothing is better than a friend like you (x2)

With a friend you can say something sad. A friend can turn sad to glad

With a friend everything’s better. Let’s sing a song, let’s sing together

REPEAT PRE-CHORUS & CHORUS

With a friend, with a friend, with a friend, with a friend, with a friend

With a friend like you, doesn’t matter what we do.

Nothing is better than a friend like you.

TRAIN SONG

If you hear the sound of the train, blowing its horn at night

You know, everything’s going to be alright

When you hear the sound from the engineer, ringing his

bell loud & clear. You know, everything’s going to be alright.

The train goes chug, chug, chug, chug, chug chug

Each and every day

The train goes chug, chug, chug, chug, chug chug

Heading on it’s way

Close your eyes you just might hear the sound of the bell so bright

The train rolls on through the night

Close your eyes, listen carefully, you can count the cars 1,2,3

The train rolls on through the night

REPEAT CHORUS x 3

ROCK IN MY SHOE

Rock in my shoe. What can I do?

I got to get rid of that rock in my shoe (x 2)

Shake, shake, shake my shoe (x 3)

I gotta get rid of that rock in my shoe

Rock in my shoe. What can I do?

I guess I’ll just have to take off my shoe

I’ll take off my shoe and shake about`

You know what happened? The rock fell out!
