

## **WITH A FRIEND**

Written by Brian Cook

With a friend you can play in the rain  
Make a mess and start again  
With a friend you can make extra muck  
Yuck, yuck, yuck

Run & jump & skip & play  
Together we can shout, "Hooray!"  
Makes your day so bright, things just turn out right  
With a friend, with a friend, with a friend

With a friend we can sing a song.  
With a friend they can join along  
With a friend singing is better.  
La, la-la-la, la

Run and jump, skip & play  
Together we can shout, "Hooray!"  
Makes your day so bright, things just turn out right  
With a friend, with a friend, with a friend

With a friend like you, doesn't matter what we do  
Nothing is better than a friend like you  
With a friend like you, doesn't matter what we do  
Nothing is better than a friend like you

With a friend you can say something sad.  
A friend can turn sad to glad  
With a friend everything's better.  
Let's sing a song, let's sing together

Run and jump, skip & play  
Together we can shout, "Hooray!"  
Makes your day so bright, things just turn out right  
With a friend, with a friend, with a friend

With a friend like you, doesn't matter what we do  
Nothing is better than a friend like you  
With a friend like you, doesn't matter what we do  
Nothing is better than a friend like you

With a friend, with a friend,  
With a friend, with a friend, with a friend  
With a friend like you, doesn't matter what we do.  
Nothing is better than a friend like you.
